

Dear Northridge Neighbors

Wondering who is cleaning Northridge parkways? Who are those people filling all those bags? We are volunteers. For over a year we have been cleaning parkways.

Northridge West Neighborhood Council provides our tools and supplies. www.northridgewest.org

Every Thursday 8 am to 11 am volunteers mow, edge, prune, clear tree wells, sweep sidewalks, clip overgrown vines, and pick up trash. We are restoring the beauty of Northridge one parkway at a time.

***Join our next clean up: Thursday, August 4 @ 8 am
Location: Northwest corner of Lassen St. and Wilbur Ave. Park in the Topeka Drive culdesac and go thru the walkway.
